Dear dear husband
I wish u a big success today. U r right and it is for the good of the party. Don't flash or hesitate – they don't know better than u do. The text that Sefi wrote is good. I also heard that Ramon – again – is beyond Buji and the others. It is not the first time that he ruins and separates and not the last. I hope that you will be already after that with great leadership and success.
Love you get at home :)
Yours
Nili
